

2019
LETSAC / NHTSA - 2019
People Saving People Award Program

The People Saving People (PSP) Award is presented to the person or organization who receives the highest accumulated score in each category. This award is open to any individual or organization that advocates safety and has a positive effect on transportation safety.

General Criteria:

- Any safety advocate may submit separate and independent nomination submissions. Nominations cannot be combined. For example, if a person wants to nominate both an individual and the project they work for, then two separate nominations must be submitted.
- Nominees must be directed towards one of the categories listed on the next page. A nominee may have excelled in both categories; however, a separate application must be submitted for each category.
- Each application should provide data or documentation demonstrating how a positive impact was obtained by the nominee's initiatives.
- The judges will be the members of the LETSAC Public Information and Education Committee.
- The award may be given to an individual or group.
- The Nominee's efforts must have significantly contributed to the improvement of transportation safety.
- The NHTSA Region 7 Office and the LETSAC Board Chair will make the award presentation to the selected recipient(s) at the Annual LETSAC Conference.
- The person submitting the nomination must provide their signature on each nomination.
- Nominations must be postmarked no later than **April 30, 2019**. They may be emailed, mailed or faxed to: Sherri Cannon, National Highway Traffic Safety Administration, 901 Locust Street, Room 466, Kansas City, MO 64106, Phone: (816) 329-3900, Fax: (816) 329-3910; sherri.cannon@dot.gov

LETSAC / NHTSA - 2019

People Saving People Award Program

Category Criteria:

Please choose one from the following (2) categories:

Public Safety:

This award category focuses on any group or individual working for a public safety organization that has gone above and beyond the normal job activities, which resulted in a positive public safety impact to reduce motor vehicle crashes and injuries. This category is specifically for any public safety organization or individual which include; law enforcement, fire, EMS, MoDOT, etc. that has a public safety effect.

General Population:

This category focuses on any person or group that is **not** working for a Public Safety organization, which has had a positive traffic safety impact to reduce motor vehicle crashes and injuries in Missouri. This category is for anyone that has implemented a program, initiative or contributed to traffic safety activities at the state or local level.

Examples would be:

- Innovative public awareness activities relating to highway safety issues
- Extraordinary involvement in safety programs
- Initiation of ideas/campaigns that target a local community
- Being a driving force in the implementation of legislation/local ordinance
