

Evaluation of D.A.R.E. myPlaybook

The program is being evaluated in partnership by D.A.R.E. America and Prevention Strategies

- Purpose:
 - evaluate effectiveness of D.A.R.E. myPlaybook
 - meet NREPP standards/requirements
 - peer-reviewed journal publication
- Recruitment: Lloyd Bratz (D.A.R.E. America) will talk directly with D.A.R.E. Officers and Trainers, and inform IPAHW of schools that are interested or have questions about participating

Recruitment Talking Points

- *Program Timing:* D.O. must be willing to implement program during the 2017-2018 school year
- *What will we ask D.O. to do?*
 1. Attend webinar to learn about evaluation procedures
 2. In collaboration with Prevention Strategies, identify a group of students to receive the program and a comparison group of students who will participate in data collection but will not receive the program during the 2017-18 school year
 3. Facilitate acquiring parental consent by distributing forms (may be school contact job)
 4. Facilitate completion of student pretest, posttest and 30-day follow-up surveys by distributing and collecting forms (may be school contact job)
 5. Implement D.A.R.E. myPlaybook as designed
- *Incentive:* Receive access to D.A.R.E. myPlaybook at no cost
