

Bid Number/Description: 073119/Online Training for Law Enforcement

NOTICE IS HEREBY GIVEN: The Missouri Police Chiefs Charitable Foundation (MPCCF) is requesting bids for online training services for law enforcement. Direct inquiries regarding this IFB or the project may be directed to Wes Blair at MPCCF by telephoning (573) 339-6735 or by emailing wblair@cityofcape.org

Purpose: This solicitation invites bids for an online training provider for law enforcement agencies to obtain courses for continuing education hours across the State of Missouri. The courses must provide education to Missouri law enforcement in planning, mitigation, and response to critical issues and terrorist actions. The definition of "Terrorism" must be defined per the Homeland Security Act of 2002 for courses covering terrorist activity. The service must include online course delivery, system-generated certificates, training records management, and compliance tracking. The bid needs to cover cost per user, the total number of Missouri POST approved courses, the total number of courses offered and description of courses' objectives and summary.

Bidder must submit one proposal by email to: bdrummond@mopca.com with the bid number and description in the subject line.

Emailed bids must be received by MPCCF no later than 5:00 p.m. CST on July 31, 2019. Please note: the time we will use is the time of receipt in the MPCCF email system. Bids received after the date and time listed above will be rejected unless extenuating circumstances have occurred. All requests for consideration of extenuating circumstances must be reviewed and approved by MPCCF.

Addendums Posted On-line: To ensure that all potential bidders receive the same information relative to this solicitation, the MPPCF will post responses to all requests for supplemental information on its website at www.mopca.com Please visit this website periodically to check for any additional information.

Funding Source: The U.S. Department of Homeland Security, through the Missouri Office of Homeland Security, is providing 100% of the funding for this project.
